Horse Dynamics bied aan

Ponie kamp 2011

1. Die **Horse Dynamics** span bestaan uit 'n equi-terapeut, ry-instrukteur, leiers...en natuurlik ons geliefde perde. Ons glo dat perdry betekenisvol is vir elkeen, of dit vir terapie, plesier, of kompetierend is.
2. Ponie kamp akkommodeer kinders tussen die ouderdom van 4 – 12 jaar. Deelname hieraan bied die geleentheid om perdrykennis te verbreed, ruiterskap vaardighede op te skerp, sosialisering in 'n positiewe omgewing en goeie waardes te kweek. **Vorige perdry ondervinding is nie 'n voorvereiste nie.** Aktiwiteite sluit in daaglikse perderitte / lesse, demonstrasies, videos en tonne pret en plesier. Ander aktiwiteite soos boeresport, watersport, kuns en (o nee!) staltake vorm alles deel van die perde-kamp. U kind se veiligheid en genot is ons absolute prioriteit.

Dit is 'n bekostigbare, positiewe blootstelling om uit te vind of jou kind perdry as 'n stokperdtjie / sport wil beoefen en of hul die versorging en takies kan hanteer wat deel uitmaak van die totale perdryondervinding. Steek die Xbox, Wii, Playstation, Barbie & Kent weg en gee hul sonskyn en vars lug in oorvloed te kry op 'n 10 hektaar plot, 3 km van Silver Lakes!

3. Datum beskikbaar: gedurende die naweek vanaf **Vrydag 8 Julie tot Sondag 10 Julie.**

Ouers bring asseblief jou kind tussen 08:00 en 08:15 elke dag en probeer om hul nie voor 16h00 te kom afhaal nie. Bekendstelling aan die instruktors en leiers wat na ruiters omsien is noodsaaklik.

4. Registrasie is noodsaaklik om jou deelname aan ponie kamp te verseker. Daar is slegs 'n beperkte hoeveelheid getalle beskikbaar.
5. Wat om te bring?
 - Perdryaktiwiteite vereis 'n langbroek, boots of ander toe-skoene met 'n effense hak (skoolskoene is perfek) en 'n perdry / fietsry helm (of leen een by ons—laat weet ons asseblief indien u een benodig).
 - Vir nie-perdryaktiwiteite pak 'n paar gemaklike stapskoene en klere vir weersomstandighede. Onthou dit is buitlugaktiwiteite, so klere moet maar mag vuil word! Tyd om te verkleed sal deel uitmaak van hul roetine.
 - Drie ligte maaltye sal voorsien word. Indien jou kind enige spesiale dieetvereistes het, verskaf asb sy eie kos.
 - Pak asseblief sonroom en hoede vir sonbeskerming.
6. Koste
 - R 900-00 vir die volle 3 dae sluit alle aktiwiteite, maaltye en peuselhappies in!
 - 5% afslag vir ouers met twee of meer kinders.

Horse Dynamics presents

Holiday Pony Camp 2011

1. The **Horse Dynamics** team is made up of therapists, riding instructor, grooms... and of course our beloved horses. We believe that riding is great for everyone, whether you are doing it for therapy, for fun or strive to compete.
2. Holiday pony camp is for all children between 4 – 12 years. Participating in this fun experience will allow children to learn about horses, develop horsemanship skills, socialise in a positive environment and learn good values. **No actual riding skills are necessary.** Activities will include daily riding / instruction, demonstrations, videos and lots of fun and laughter. Other activities such as boeresport, water games, art and (oh, no!) stable chores are all part of the pony camp. Your child's safety as well as his enjoyment is our priority.

This is an inexpensive, positive way to let your children find out if they really want to pursue horse riding and whether or not they can handle the care and duties that come along with the actual riding. Hide the Xbox, Wii, Playstation, Barbie & Kent and give them sunshine and fresh air on the 10 hectare plot, 3 km from Silver Lakes.

3. Available date: during the weekend from **Friday 8 July to Sunday 10 July.**

Parents please bring your children from 08h00-08h15 everyday and try not to pick them up before 16h00. Familiarisation with instructors and Horse Dynamics staff is necessary.

4. As we only have a limited number of places available, it is a good idea to reserve you're booking soon to ensure participation in the Holiday Pony Camp.
5. Things to bring:
 - You'll be required to bring long trousers, boots or other closed shoes with a slight heel (school shoes are perfect) and a horse-riding or cycling helmet (or borrow one from us – please indicate if would require a helmet).
 - For non-riding activities, pack comfortable walking shoes and casual clothes according to weather conditions. Remember these are outdoor activities and clothes must be allowed to get dirty. There will be time to change.
 - Three light meals are provided. If your child has any special dietary requirements, please supply own food.
 - Pack sunscreen and hats for sun-protection.
6. Cost:
 - R 900-00 for the full 3 days includes all activities, meals and snacks!
 - 5% discount for parents with two or more children.
